IMPORTANT REMINDERS & DEADLINES

The following information is provided to assist you throughout the application process. We recommend that you keep it in an easily accessible location and that you share it with the appropriate members of your organization.

FORM 486 DEADLINE - The Form 486 must be postmarked no later than 120 days after the Service Start Date you report on the Form 486 or no later than 120 days after the date of the Funding Commitment Decision Letter, whichever is later. If you are required to have a Technology Plan, you must indicate the SLD Certified Technology Approver who approved your plan and you must retain documentation of your monitoring of the progress toward your stated goals.

CHILDREN'S INTERNET PROTECTION ACT (CIPA) - If FY2003 is your Third Funding Year for the purposes of CIPA and you apply for Internet Access or Internal Connections, you must be in compliance with CIPA and cannot request a waiver. The Supreme Court may issue an opinion in July 2003 changing the CIPA requirements - watch the SLD web site.

INVOICE DEADLINE - Invoices must be postmarked no later than 120 days after the last date to receive service - including extensions - or 120 days after the date of the Form 486 Notification Letter, whichever is later. Invoices should not be submitted until the invoiced products and services have been delivered and billed, and (for BEAR Forms) the provider has been paid.

OBLIGATION TO PAY NON-DISCOUNT PORTION - Applicants are required to pay the non-discount portion of the cost of the products and/or services. Service providers are required to bill applicants for the non-discount portion. The FCC has stated that requiring applicant to pay their share ensures efficiency and accountability in the program. If you are using a trade-in as part of your non-discount portion, please refer to the SLD web site.

RETAIN DOCUMENTATION - Applicants and service providers must retain documentation, including but not limited to, documents showing:

- compliance with all applicable competitive bidding requirements,
- products and/or services delivered (e.g., customer bills detailing make, model and serial number),
- resources necessary to make effective use of E-rate discounts, including the purchase of equipment such as workstations not eligible for support,
- the specific location of each item of E-rate funded equipment, and
- the applicant has paid the non-discount portion.

These documents must be retained and available for review for 5 years.

FREE SERVICES ADVISORY - Applicants and service providers are prohibited from using the Schools and Libraries Support Mechanism to subsidize the procurement of ineligible or unrequested products and services, or from participating in arrangements that have the effect of providing a discount level to applicants greater than that to which applicants are entitled.

Adrian:

We disagree with the determination regarding FRN 1051974. We did consider all bids received within the bid time frame. There was only one bid submitted within the time frame of the bidding process and that was from ANG. The other bid received was received on the date due, however, it was after the closing time of the bid.

The district did not consider the late bid because we did not want to be in violation of bid procedures.

We do want to file an appeal. Please advise us of the steps we need to take to exercise this right. Please note the district will be closed Thursday, August 30th – Monday, September 3, 2007. We will resume business on Tuesday, September 4, 2007.

Re: SPIN - 143026213

NOTICE: This notification is an acknowledgment of RECEIPT and SUCCESSFUL DATA ENTRY of FCC Form 471 applications containing Funding Requests that list your Service Provider Identification Number (SPIN) 143026213.

This letter does NOT contain any decisions concerning applicants' requests for discounts.

Your school or library customers, as noted herein, have applied for Universal Service support for their advanced telecommunications needs. The total amount of the pre-discount costs for the Funding Requests contained in this letter is \$297,450.92. You may receive additional letters reporting Funding Requests received by the Schools and Libraries Division (SLD) in other Form 471 applications.

PLEASE KEEP THIS LETTER FOR YOUR RECORDS. The Form 471 Application Number(s) and Funding Request Number(s) (FRNs) are critical for you to link this communication with future SLD communications.

The FRNs listed in this Acknowledgment Letter are included within the application filing window wherein all applications that pass the Minimum Processing Standards are treated as though they were received on the same day. In addition, we have received the Certifications for the Forms 471 that include the FRNs reported in this letter and have entered these Certifications into our processing system. SLD's Program Integrity Assurance (PIA) Team will now review these applications for compliance with program rules. Once the review of the Form 471 applications has been completed, you will receive Funding Commitment Decision Letters (FCDLs) that inform you of the disposition of the Funding Requests that cite your SPIN. Until you receive FCDLs from the SLD, you cannot assume that applicants will receive the discounts for which they are applying.
